The players name must be stated on the results card with a * beside it. Once that player has played their 3rd match in

Players cannot play down an age group or down a team for example under 16 player cannot play down to under 14 and an a team player cannot play down to a b or c team etc. If this has not been recorded and made apparent to the competition secretary during the course of a season the offending team will automatically have all their results declared void.

In the event that a team cannot fulfil a playing fixture they must either:
Offer the opposing team a friendly – remember that any player can play for you in a friendly, from other clubs or higher team within your club. In the event that a friendly is being played both umpires, and the opposing captain MUST informed before the start of the game that it is a friendly. The team who cannot fulfil the fixture should inform their opposing team and competitions referee as soon as they know the match will be a friendly.

OR if a friendly cannot be offered they must inform the opposing team and competitions referee and umpires as soon as possible with at least 1 days' notice, and must pay both umpires as per the league fixtures.

Any team to concede more than 3 of their matches during the course of a season will automatically have all their results declared void.

5. Match Regulations

All games shall be played to the IFNA Rules and game currently in force in England at the time, except where specific local regulations may apply. It is recommended that every club should own a copy of, and ensure their players are familiar with the IFNA Rules of the game.

Matches will consist of 11 minute Quarters with intervals of 2, 2, 2, minutes respectively. Central Timing will be administered by the league admin on the day. If a team is not on court at the starting time, the umpires may award the match to the team on court.

There will be no additional time available to cover for injuries so injured players must be removed from court as soon as possible and the game should resume promptly. Players bleeding whilst on court must be removed immediately and a replacement may step on court after a goal is scored. There is no requirement to wait for substitutes to take the court if they are not ready. First aid should be administered off court whilst the game continues. It is the responsibility of each team to provide first aid cover for its players, officials and spectators and must report these to the venue.

In the event that a match is abandoned after it has started e.g. because of serious injury, the result of that match (or possible re-arrangement) will be determined by NDCNA committee, having regard to the score at the time at which play was suspended. The score at the time of the abandonment and the circumstances for the

abandonment should be noted on the team sheet. Note that for games abandoned in the last five minutes of the match the score at the time the game was stopped will stand and there will be no replay organised.

A lead umpire will be identified in the Fixtures who will administer at least one day of matches during both the winter and summer league.

Points will be awarded as follows: 5 points for a Win, 3 points for a draw, 1 point for more than half score. Final league positions will be ranked by points, then by goal average, then by goals scored.

All teams are required to provide bibs and match ball which meet IFNA regulations. Teams are advised to have a spare set of bibs to use in the event of a colour clash. In the event a team attends for a match without bibs or a call and no spares are available they will be deemed to have conceded the game. If this is both teams the game will be void.

Teams should play in matching kit, as a minimum they should be in the same colour top. Tracksuit bottoms can be worn as long as they don't trail the floor or cause a trip hazard. Umpires can request players to change their kit where clash occurs or could cause a hazard.

6. Registration of Results

The captain of each team must submit a Result Sheet for every match signed by both umpires showing the following information...

- Full Names of Players
- Full Names of Substitutes, clearly indicating the quarters played
- The Final Score
- Player of the match
- The Winning team

Teams who regularly fail to submit complete result sheets will receive penalty points. Result sheets should be handed into the lead Umpire on the night when complete.

7. Match Officials

Match officials will be allocated as stated on fixtures. Coaches are to umpire their own matches in the Under 11s division. A competent unqualified umpire may umpire under 12s 14s 16s with a written statement from their mentor to state they are fit and eligible to umpire with a C award qualification.

It is the responsibility of the two officials in charge of each match to ensure that the league rules are applied appropriately and that discipline on and around the court is maintained. They should deal with issues brought to their attention by captains on the night and should remain by the court they are umpiring throughout the duration of the match. If any specific issues arise they should either note these on the team sheets or inform the league/committee.

In the event that an umpire fails to arrive, or is injured or taken ill during a match, the following procedure should be followed:

-Another umpire with appropriate qualification should be asked to umpire the match. Failing that, the next best-qualified umpire may umpire subject to the agreement of the two captains. However if both agree then there will be no right to appeal or replay.
-If no suitable substitute is available the League/Committee should be informed as soon as possible so that the game can be re-arranged.
